ASSIGNMENT, RELEASE AND CONSENT

I request that payment of authorized insurance benefits be made either to me or on my behalf to AFAC for any service furnished. I authorize the release of medical information about me needed to determine these benefits or the benefits payable for related services. I understand that my signature requests that payment be made and authorizes the release of medical information necessary to pay the claim.

I understand that I am financially responsible for all charges whether or not paid by insurance. A financial fee of 1.5% per month will be added to all accounts past due. Delinquent accounts over 90 days past due will automatically be sent to a collection agency. Should collections become necessary the responsible party agrees to pay an additional 25% collection fee and all legal fees, with or without suit including attorney fees and court costs. If I have opted out of receiving a final notice for delinquent accounts by text or email below, I understand a letter via certified mail or priority mail will be sent. In sending this letter, a fee of up to \$6.00 will be added on top of the additional collection fee mentioned above. In *Medicare assigned cases*, the physician agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, coinsurance, and non-covered services.

I understand that I may be billed a \$25 no-show fee for appointments that I miss without cancelling or rescheduling at least 24 hours in advance.

I certify that the above information is true and correct to the best of my knowledge. I hereby give my permission to AFAC to administer and perform such procedures and tests as may be deemed necessary in the diagnosis and treatment of my feet/ankles. I authorize the use of photography for documentation and/or educational purposes.
